SUPPORTING STRONGER GOVERNANCE

Working in partnership

Lincolnshire Teaching Schools Together (LTT), The Lincolnshire Learning Partnership (LLP), Lincolnshire County Council (LCC), Lincoln Anglican Diocese and the Leaders of Governance (NLGs/LLGs) have all worked together to produce a comprehensive and coherent support offer to ensure stronger governance of schools and academies in Lincolnshire.

Our commitment is to ensure that all Governors/Trustees from across Lincolnshire are able to access appropriate support locally, throughout the year. We aim to explain that offer, to make it simple to book Professional Development and to source bespoke support for your school or academy.

Please visit our website for further information: www.lincolnshiretsa.co.uk/governance or contact the Governor Support Line on 01522 553240 or governorsupport@lincolnshire.gov.uk

TRAINING SESSIONS YOU CAN COMMISSION

PROFESSIONAL DEVELOPMENT UNITS

FOCUS ON THE CORE PURPOSES OF GOVERNANCE AND HOW TO BE HIGHLY EFFECTIVE AS A GOVERNING BOARD

- This is a unit that will serve the purpose of an introduction/induction for new governors/trustees as well as a 'refresher' for those who have been governing for some time.

FOCUS ON SEND:

- How do we ensure that we are meeting the requirements of the governors' responsibilities with respect to pupils with SEND?
- What does the worst case scenario look like and how can we avoid it?
- What are the practical things we can do as governors that will make a difference?

FOCUS ON SAFEGUARDING

- How do we ensure that we are meeting the requirements of the governors' responsibilities with respect to safeguarding?
- What does the worst case scenario look like and how can we avoid it?
- What are the practical things we can do as governors that will make a difference?

FOCUS ON GOVERNOR VISITS TO SCHOOL

- Why is it important that governors visit the school and what should we be doing when we make a visit?
- How can we ensure that the findings from a visit are integrated into the governance process and evidence trail?
- What are the important protocols that need to be established and followed when governors visit the school?

FOCUS ON SECURING VALUE FOR MONEY – THE ROLE OF GOVERNORS IN RELATION TO DEDICATED GRANTS e.g. Pupil Premium

- What is the governors' responsibility around the wise spending of dedicated grants?
- How do we establish value for money?
- How can we most effectively and simply discharge this responsibility and evidence the governance?

RUNNING EFFECTIVE PANELS (exclusion, discipline etc)

- What are the pitfalls to avoid and how can we avoid them?
- What support do we need and how can we secure it?
- What does effective look like in relation to a governors' panel process?

PREPARING FOR OFSTED – THE NEW FRAMEWORK

- What are the implications of the **new framework** for governors and governance?
- What will Ofsted ask governors as part of their inspection of the school and why are these questions critical?
- How can we ensure that the governance of the school is transparent and can be scrutinised?
- What are the things we can do now to prepare for a future Ofsted inspection?

FOCUS ON THE NEW LINCOLNSHIRE LA SYLLABUS FOR RE

- Understanding the changes in the new Lincolnshire RE syllabus.
- How do governors monitor RE in schools?

GOVERNING BOARDS CAN ALSO COMMISSION TRAINING FOCUSED ON TOPICS NOT COVERED BY THE CORE UNITS:

ETHICAL LEADERSHIP FRAMEWORK

LEADING GOVERNANCE PROGRAMMES

The National Governance Association (NGA) is one of the licence holders that deliver the DFE Leading Governance Development programme. The NGA delivers the Development for Chairs and Clerks Programmes in Lincolnshire.

This programme provides excellent training for the Clerk and Chair to upskill into a Governance Professional. Schools may find it beneficial for both the Chairs and Clerks to attend this training.

DEVELOPMENT FOR CHAIRS PROGRAMME

This programme aims to develop leadership skills, ensuring that governance is both effective and sustainable. If you are a chair, vice-chair, committee chair or future chair, then this programme is designed to develop your governing skills, knowledge and confidence.

The programme offers a blend of flexible learning and will take approximately three terms to complete. Led by experienced facilitators, participants will attend local workshops and access effective one-to-one mentoring throughout the duration of this programme, to ensure the skills learnt can be translated into the real world. Learning will be both group-led and independent.

The full cost of this programme is £500. DFE funding for £500 is available*. Please get in touch with the NGA to enquire about eligibility for available funding.

DEVELOPMENT FOR CLERKS PROGRAMME

Level 3 accreditation in Clerking of School and Academy Governing Boards.

Clerks play a core role on governing boards and are integral in ensuring high standards are met. With the welfare of pupils at the heart of everything we do, our Development for Clerks programme is designed to ensure both new and experienced clerks have all the knowledge and skills they need to carry out this role effectively.

This programme offers a blend of flexible learning over approximately a nine-month period. Led by experienced facilitators, participants will attend workshops and access effective one-to-one mentoring

throughout the duration of this programme, building on the clerking skills learnt. Learning will be both group-led and independent.

The full cost of this programme is £425. DFE funding is available* for £350 of the full cost, leaving £75 to be paid. Please get in touch with the NGA to enquire about eligibility for available funding.

The Development for Chairs and Development for Clerks Programme will be running a Lincolnshire cohort in 2019-20 with face-to-face sessions being held at The Keyworth Centre, Lincoln, LN6 0EP. For dates and booking, please visit the NGA website.

For further information about the NGA Leading Governance programmes and to register, please visit: www.nga.org.uk/LeadingGovernance T: 0121 237 3780 (option 4) E: leading.governance@nga.org.uk

** Funding is subject to eligibility; please contact the NGA to enquire about eligibility for available funding*

DEVELOPMENT FOR BOARDS PROGRAMME

This is a consultant-led bespoke programme tailored specifically to your board's needs. If you are a board governing a Multi Academy Trust (including an empty MAT), a group of schools/federation, or an 'RI' or Coasting school in an Opportunity Area, then this is the ideal solution to help you improve governing practice and meet specific outcomes.

Designed to suit each board's circumstances, this programme will include elements such as:

- development for the chair
- evaluation of the board's strengths and weaknesses
- engagement with the board and senior leaders
- support with creating a board action plan
- additional training, coaching and mentoring support as required

This programme consists of development for the board over a period of approximately three terms. At the end of the programme, the board will have a clear understanding of effective governance.

The cost of the programme is £2000 and is fully funded to each RI school in the category 5 and 6 areas in Lincolnshire. These schools can access the full funding for Boards as well as a fully funded place on the Chairs and Clerks Programme. Please get in touch with the NGA to enquire about eligibility for available funding.

CONSULTANCY

Lincolnshire Teaching Schools Together (LTT) has worked with the Lincolnshire Learning Partnership (LLP) and the Leaders of Governance based in Lincolnshire Schools to develop a consultancy support model to help schools, academies and MATs strengthen their governance arrangements and address specific governance challenges they are facing.

LEADERS OF GOVERNANCE SUPPORT

Lincolnshire has a team of experienced governance support consultants to help governing boards to strengthen their work and to respond effectively to the ever-increasing demands being made of them. Support can be in the form of phone calls, email correspondence, face-to-face meetings, attendance at governance meetings etc.

Examples of support include:

- Support for new chairs
- Support for setting up effective MAT governance arrangements
- Support for self-review and peer-to-peer review
- Supporting strategic planning – vision, values, strategic procedures
- Review and development of governance documentation
- Supporting self-/peer-review using the review tool

Costs: £450 per day / £225 per half-day equivalent

PEER IMPROVEMENT PATHWAY FOR GOVERNORS

Approaches to the improvement of governance linked to the Peer Improvement Pathway are being piloted in the Spring and Summer term.

EXTERNAL ADVISER FOR EFFECTIVE HEADTEACHER PERFORMANCE MANAGEMENT

Headteachers who are working within the School Teachers' Pay and Conditions (STPC) are required to be appraised by their Governing Board in line with regulations and their pay progression must be linked to this. The STPC requires that the Governing Board is supported by an external adviser and this is available from the Leaders of Governance.

Costs: To be agreed with the appointed adviser

EVALUATING GOVERNANCE

The DFE Governance Handbooks makes it clear that governing boards should be evaluating their effectiveness on a regular basis. The support tools for self-review/peer-review (see page 13 of this booklet) provide mechanisms for governing boards to evaluate their effectiveness. Governing boards can commission Leader of Governance support for undertaking reviews and for drawing up an improvement plan based on the outcomes (see page 10 of this booklet).

Whilst Ofsted will no longer be recommending that schools have External Reviews of Governance (ERGs) they can be commissioned by schools/SATs and MATs. An ERG looks at how well your school's/academy's Governing Body is working. A trained Leader of Governance works with the Governing Body, Headteacher and Clerk to improve the performance of your Governing Body.

Costs: An External Review of Governance will usually take between 2 to 3 days, including a follow-up visit to review impact. The charge for a full review will be agreed between the reviewer and the school/academy. However, the estimated cost is around £1,000 to £1,500. Shorter 'health-check' style reviews are also available at £225 per half-day equivalent.

REFORMING GOVERNANCE – SECURING FITNESS FOR PURPOSE

Providing that Governing Boards are fulfilling the purpose of governance as set out in Section 1 of the DFE Governance Handbook, they are free to put in place whatever structures and arrangements that they see fit. The key consideration is 'are we fulfilling the purposes as effectively and as efficiently as possible?'

Many school governing boards have done things in the same way for many years without stopping and evaluating effectiveness and efficiency. The DFE Governance Handbook identifies Evaluation as one of the six dimensions of effective governance and recommends that governing boards take a systematic approach to evaluating their work and the fitness for purpose of their ways of working.

Across the country – including in Lincolnshire - many school/governing boards are reforming their governance arrangements – different structures/committees, different roles for those involved in governance, different meeting schedules. They are finding that reformed ways of working are resulting in better governance.

The Lincolnshire Leaders of Governance (LLGs) are working with schools to support them in reforming their governance. If you would like support to assist you in reforming how you do things, please contact us through the Governor Support Line.

For further information on any of the forms of governor support, please email: governorsupport@lincolnshire.gov.uk or phone 01522 553240

GOVERNOR SUPPORT LINE

Lincolnshire County Council maintains a Governor Support Line (01522 553240) to provide telephone advice and support to the Governing Body of a school/academy. In addition to the support offer made within this guide, Governor Support can also provide remote support via email (governorsupport@lincolnshire.gov.uk) for the purposes of looking over school-related documentation and governance-related matters.

LCC Governor Support is also responsible for maintaining records of Maintained Schools' Governing Bodies, as well as providing direct communications that are pertinent to supporting the continual development of governance in Lincolnshire Schools.

If you require a specific type of support that is not listed in the guide, please contact governor support and a member of the team will be able to talk with you further. Please email: governorsupport@lincolnshire.gov.uk or phone 01522 553240

RESOURCES

A range of key resources is provided on our website for Governing Boards to help them strengthen their governance arrangements.

SUPPORT TOOLS FOR SELF-REVIEW/PEER-REVIEW

These tools can be used to evaluate the current effectiveness of the governance arrangements of the School/Trust.

Three tools are available for:

- Maintained Schools including Federated Schools
- Single Academies
- Multi Academy Trusts

The tools come with some guidance about how they can be used by an individual governing board and as a part of the school's peer-review process. Having identified their profile of governance strengths and weaknesses, governing boards will then be able to identify which parts of the Stronger Governance offer they are going to engage with to ensure that they are working as effectively as possible.

SUPPORT FOR RECRUITING GOVERNORS / TRUSTEES

Our website has a section which provides guidance and signposting linked to helping governing boards to recruit new members.

LIBRARY OF KEY RESOURCE DOCUMENTS

Our website has a significant and comprehensive list of documents available to download. Examples of these are listed below:

- NGA Handbook
- Recruitment
- Monitoring Templates
- Competency Framework for Governance

CASE STUDY - HOW THE DEEPINGS CLUSTER HAS USED OUR TRAINING OFFER

The primary schools in The Deepings area have been 'clustering' for very many years. Heads' and Chairs' meetings every long term have been, more recently, complemented by Chairs' meetings at similar intervals. Working co-operatively has benefitted our schools in many ways not least our recent initiative to share training.

Geographically, being so close to the Lincolnshire/Cambridgeshire border, the Deepings is not well placed to encourage governors, new or time served, to training events in Lincoln, Horncastle, Gainsborough or even Grantham. Several of our cluster schools have therefore sourced training from Governor Services in Peterborough, only 10 miles away. This certainly has its benefits in terms of convenience but Peterborough is not Lincolnshire and the content of courses, updates or briefings were frequently not appropriate, and sometimes even confusing, for our governors.

Consequently, buying training from Stronger Governance for Education in Lincolnshire appeared to be an attractive option. With the potential attendance of as many as 40 governors and free training venues within a radius of a couple of miles, the forecast was that we would be buying places for around £25 per person assuming 20 governors attending a £500 course.

Our first two events, in February and September this year, attracted attendance of more than 20; our latest 25, so the cost to each school was based on £20 per delegate. Clearly this was extremely attractive given the pressure on school finances. Course content is based on recognised NGA packages. It is thought-provoking, stimulating and encourages reflection on current working practices. There is recognition that every school is different; every governing board works differently. Therefore, governing boards are encouraged to review that their working practices to effectively deliver their strategic responsibilities.

Maybe your school could join forces with other local schools to support your governors by organising local, relevant and cost effective training being offered through the Stronger Governance offer. Please see page 4-5 for further details.

Would you like to be a Leader of Governance?

We are continually looking to expand our capacity to support governing boards and are therefore always looking for governors and trustees who would consider joining the Lincolnshire Leaders of Governance Team.

Members of the team play different roles, for example:

- joining a governing board for a year when the board needs strengthening;
- acting as the chair of a board for a year if the board needs some strong leadership
- undertaking consultancy work with governing boards, including reviews of governance
- delivering governor training

Different team members play different roles and you could shape the role as you want to.

Please contact us if you would like to have a conversation about possibly joining the team; or visit the website for further information: www.lincolnshiretsa.co.uk/governance
