

Lincolnshire Core Programme 2019-20

This is the second year of the Lincolnshire Core Programme, a programme which has been designed and created by Lincolnshire System Leaders to complement the DfE School Improvement Offer (DSIO) and the Securing Good Programme (SGP). It consists of a series of units which school leaders can access to support school improvement, leadership development and resource management.

This programme is fully funded for schools included in the DfE School Improvement Offer (DSIO) and schools that have been identified through the local authority Securing Good Programme (SGP). Other Lincolnshire schools can also access the programme, but priority will be given to schools in the DSIO and SGP. Schools on the DSIO and SGP are invited to attend a selection of these units which support the planned programme of support for your school. You may wish to discuss this with your Locality Leader, or the partner LLE or NLE who has been deployed to support you in 2019-20.

Cost

DSIO schools: Fully funded - schools can access at least one place on as many of the Lincs Core Programme units as you wish
 Securing Good Schools: Fully funded - schools can access at least one place on as many of the Lincs Core Programme units as you wish
 Other schools: £500 to access at least one place on as many of the Lincs Core Programme units as you wish (availability of places permitting).

Booking

All bookings can be made via [the booking links](#) unless otherwise stated.
