## Local Authority Writing Workshops for Years 1, 3, 4 and 5

In a year where children's learning has been severely disrupted, it is important that teachers and schools can assess writing accurately, so that content that has not been covered can be identified. This will enable staff to focus teaching and learning time on the areas of need. These workshops will aid you in making accurate assessment judgements, help with planning next steps and provide the opportunity to share best practice with other teachers.

Year 1 (9am -12pm) & Year 3 (1.15 - 4.15pm) 21st and 22nd April 2021

Year 4 (9am -12pm) & Year 5 (1.15 - 4.15pm) 21st and 22nd April 2021

We will be asking you to provide samples of children's writing in pdf format, to look at during the session.

**These sessions will be delivered virtually**

**Free of charge**
